

The East Side Industrial and Improvement Association entertained a luncheon and smoker last evening at their permanent headquarters in the Fromholtz Hall, corner Webb and East Main street. The chief event of the evening was an address by Mr. G. F. Rudisill, state director of the Ohio Good Roads Federation Ohio division of the National Highways Association and a former secretary of the North Side Improvement Association of Columbus.

In spite of the inclement weather and a number of center-attractions at the hall were crowded when President D. C. Metz called the meeting to order and invited all to be seated at the three long tables at which a luncheon was immediately served by the entertainment committee, Messrs. Samuel Sachs, A. J. Baldwin, C. L. Gabkee, W. E. Westbrook and W. M. Jones.

Mr. Rudisill did not arrive until about 8:30 and during the interim Mr. J. W. Williams, president of the Associated Carriers, occupied the time in explaining the objects of the association, one of which was its affiliation with the humane society of this county. He stated that the society was endeavoring to teach how people can help one another, they try to find men who are out of work and show them how they can support their families by some little endeavor. He said the associated charities acted as friendly neighbors to people in the community and that the humane society was one of the strongest aids for humane uplift.

The speaker of the evening had arrived in the meantime and after a couple of hours' conversation he finished the excellent luncheon which had been provided and which by the way is not paid for by treasury funds but by individual contribution. Pres. Metz rapped for order and introduced Mr. Rudisill. That gentleman has experience along the line on which he talked and is recognized as one of the foremost men in the state in promoting industrial and civic improvements having served for five years as secretary of the North Side Chamber of Commerce, during which time it accomplished much, not to

U. S. PROTESTS SEARCHING OF NEUTRAL MAIL

SHARP NOTE SENT TO BRITISH
GOVERNMENT PUBLISHED
TODAY.

Diplomatic Correspondence Treated
in Manner Called "Vexatiously
Inquisitorial."

(Associated Press Telegram)

Washington, January 25.—Great Britain's interference with neutral mails is the subject of a sharp protest on the part of the United States in a note to the British government, the text of which was published today.

The communication discloses that diplomatic and consular dispatches have been treated by British officials in a manner regarded by the United States as "vexatiously inquisitorial," which practices are denounced as "unwarranted interferences."

The note also cites repeated seizures of mail in violation of international law and challenges Great Britain's jurisdiction over mails on ships touching at British ports.

Attention is called to the fact that "a strong feeling is being aroused" in the United States by the loss of valuable letters, while foreign bankers are refusing to cash American drafts because they have no assurance that drafts are secure in the mails.

Great Britain's tentative reply, made public with the text of the American note, promises without "unnecessary delay" to give the results of a consultation that is in progress between Great Britain and her allies regarding the policy to be pursued.

EAST NEWARK

(Continued from Page 1.)

for the North Side but for the entire city, in fact its reputation became state wide because of one of its main objects, the denning of North High street, which has been partly accomplished in the last several years.

Mr. Rudisill congratulated Newark for having such a progressive body of men as the East Side Industrial and Improvement Association and stated that he had not come to Newark to council with them but rather to give them the benefit of his experiences. He stated that there were four essentials necessary for the success of the organization, the first of which was "Get together."

Enlist the support of every force within the community, the business, professional and laboring men and organize upon such a basis that all these forces will co-ordinate.

A second essential, the speaker said was "Get good officials in your organization." Usually the first thing in forming an association is to organize and then it dies. To prevent this elect men who are interested. Too many are inactive, interest laxes and the organization dies a natural death. An active leader may inspire the whole membership, therefore see to it that such a man heads the organization. Mr. Rudisill told of a method employed by him in securing members. If you approached the prospective member in the right way he would seldom refuse to give a friendly service to the public. That is what constitutes good membership. The speaker then told of a plan followed by the North Side Chamber of Commerce at Columbus to interest North Side residents. The members passed garden and flower seeds all over that side of the city and the result was most surprising. That body was known as the most active civic and commercial organization in Central Ohio. It tackled everything that the North Side needed and was usually successful in getting it. The city of Columbus gained 44 per cent in population in the last decade and the most of it went to the North Side. Then community organizations began to develop until there were nine separate and distinct bodies. The result was sectionalism and confusion. There was just eight too many such organizations and the result was a merger and now there is a united effort with perfect harmony.

The third essential is "Get busy." The question is how? Our age is a commercial one, an industrial one and the greatest question in the state today is application. Efficiency, conservation and industrial energy are all applied along that line. The state is changing from an agricultural one to an industrial one. Five cities in the state have doubled their population, seventy have increased in population and the state itself has increased fifteen per cent. The proportionate increase in all Ohio cities was 30 per cent. The rural population decreased 7 per cent. There were 113,000 people less in the rural districts in 1910 than in 1900. We are in the midst of a great industrial age, therefore efficiency and conservation of energy become necessary. Too many organizations are organized along the wrong plan. Students of municipal government claim that the Federal plan adopted in most cities has been a failure and as a consequence it has brought us the commission form of government. Many of our business men are inactive, they partake of all the good things which society and government give them, but offer nothing in return.

The fourth essential said Mr. Rudisill, was "Get results." How? A good policy to follow is to frame a program of things that you want done and then get busy and see that it is carried out. Get good committees and a hustling board of trustees, arrange your program and then go after each thing that you want done, and that's the way that you will get results. The speaker next spoke of plans for civic improvements which included beautification of the streets and betterment of property, civic pride, patriotism, etc. That is what is wanted on the East Side. Beautify your lawns, clean out your alleys, make your end of town talked about and a desirable place to live and you will be surprised at the increased value which it will bring to your property.

Mr. Rudisill's talk was highly interesting and very enjoyable to all who were fortunate enough to be present and it no doubt will result in much good as he gave all present much valuable information regarding his experiences and connection with a similar board. The East Side Industrial and Improvement Association is composed of a splendid body of men, the representative citizens of that part of the city, men who do things and all are interested in the organization. They are determined that the East Side shall be heard from and that they receive their just share of benefits in the matter of improvements, public welfare and public utilities. The organization is growing and each meeting shows a continued interest on the part of its members. In time there will not be a hall large enough in East Newark to house the organization.

At last night's meeting papers were circulated for signatures which will be presented to the city council asking that a comfort station be established for women and children in the basement of the East Side fire department. The matter will be pressed by members of the organization at the next meeting of the city council.

New York, Jan. 25.—Four weeks old Julius Clemens died today from the effects of a quantity of acid forced down his throat by an unidentified man while the child was sitting in a go-cart outside of a candy shop in the Bronx yesterday. Mrs. Charles Clemens, the baby's mother, had stepped into the shop, leaving her four-year old daughter Leona to watch Julius. When the mother rushed to the street in response to the girl's screams, she found that the baby's mouth, chin and neck had been burned by a strong acid, and the child was crying.

"A man did it," said Leona. "He gave baby something."

Police have been unable to obtain a clue to the identity of the child's poisoner and also are at a loss as to his motive.

RISE IN PRICE OF CRUDE OIL IS MADE TODAY

(Associated Press Telegram)

Pittsburgh, Jan. 25.—A further advance in the price of crude oil was announced by the principal purchasing agencies here today, 19 cents being added to the more important grades as follows: Pennsylvania crude, \$2.25; Cateh, \$1.85; Mercer black, New Castle and Corning, \$1.85; Somerset, \$1.75. Five cents was added to the price of kerosene, bringing that grade to 50 cents. Successive advances over a period of six months or more have failed to bring oil all the way down, and the oil men here and the consumer said today they hoped the new price would prove a stimulus to prompt development in the West Virginia, western Pennsylvania and eastern Ohio fields.

RAILROADS TO DISCUSS WITH BROTHERHOODS

IF PLAN GOES INTO EFFECT IT
WILL BE THE FIRST TIME
IN HISTORY.

Officials Realize the Railroads Have
No Adequate Method of Meeting
Situation.

(Associated Press Telegram)

New York, Jan. 25.—Officials of the leading railways of the United States are considering a plan to organize a general conference committee of the railway managers.

The whole country to negotiate with representatives of four brotherhoods of railway employees which are voting whether to demand an eight hour working day. It is stated that if this plan is put into effect it will be for the first time in the history of the country.

The plan has been proposed because it is realized that the railway officials have no adequate method of meeting the extraordinary situation now confronting them. Never before has there been a labor movement of such magnitude among railway employees, the officials say.

There is at present a conference of railway managers in each district into which the country is divided, but the functions of each are restricted to the territory its roads operate. There is also the American Railway association with members from all parts of the United States, but it has none of the powers proposed to be conferred upon the general conference.

professional people were not needed. This train was followed by another special made up of baggage cars and mail cars. The second train took charge of the passengers for Columbus and western points and permitted them to continue their journey with little delay. The special composed of baggage and mail cars transferred the contents of the derailed coaches.

The report of the wreck was received in Newark soon after the accident. Superintendent D. F. Stevens of the Baltimore and Ohio, with his entire staff boarded a special train made up hurriedly in the local yards and made a fast trip to the scene. The B. & O. officials rendered what aid was possible, though the wreck crews from Columbus took charge of the task of clearing the wreckage.

The following report of the wreck was given out by railroad men:

"Young McCormick had been spending the evening at a house just north of the crossing where the accident occurred. With his companions, he started for town for some reason and invited the friends to ride with him.

"No, we'll walk and we'll beat you down town," was their reply. McCormick drove his machine from the yard and swung in a wide circle to the east side of the street. He did not get his car back into the center of the street before reaching the crossing and his wheels started across the rails to the east of the plank crossing.

"When the engine struck the machine, it is apparent that the wheels of the McCormick car were close against the east end of the crossing planks. The impact of the collision tore up the crossing planks and rolled the automobile under the engine, rather than throwing it to one side.

"This caused the pony trucks to leave the tracks. The marks on the ties show where these trucks bumped along the ties until they encountered the frog of the switch just west of the crossing. Here the trucks bucked and the engine left the track entirely headed south, with its nose in the slight embankment.

"The cars which followed, left the track, zig-zagging across the right of way like a rail fence. The track was torn up for a distance of 500 feet and in this lies the heaviest property damage. The damage to the track is estimated at \$2,000 while that of the equipment is about \$200.

"The crossing is protected by an automatic bell which rings upon the approach of a train. This bell was ringing at the time and was still ringing late this morning, even after the wreckage had been cleared from the track."

Because traffic was blocked on all three tracks at Pataskala, trains between Newark and Columbus on both roads were detained.

Pennsylvania train No. 8, due here at 1:35 and No. 26, due at 1:25, were detained via the C. & C. to Orville and thence to Pittsburgh, being through trains. Train 14, due here at 3:15, was detained over the C. & C. to Centerburg, and over the T. & O. C. to Central City and thence to Newark. This train handled local business between Newark and Pittsburgh while traffic was tied up.

B. & O. trains were detained via Mt. Vernon and the C. & C. to Columbus. West bound Pennsylvania trains went to Columbus via Central City, the T. & O. C. to Centerburg and over the C. & C. to Columbus.

L. Gamble of Columbus, general manager of the C. R. Parish company's stores in this city and other Ohio points, was a passenger on the train. With a traveling

GLASS OF SALTS CLEANS KIDNEYS

If your back is aching or bladder bothers, drink lots of water eat less meat.

When your kidneys hurt and your back feels sore, don't get scared and proceed to load your stomach with a lot of drugs that excite the kidneys and irritate the entire urinary tract. Keep your bowels clean, like you keep your kidneys clean, by flushing them with a mild, harmless salts which removes the body's urinous waste and stimulates them to their normal activity. The function of the kidneys is to filter the blood. In 24 hours they strain from it 500 grains of acid and waste, so we can readily understand the vital importance of keeping the kidneys active.

Drink lots of water—you can't drink too much; also get from any pharmacist about four ounces of Jad Salts; take a tablespoonful in a glass of water before breakfast each morning for a few days and your kidneys will act fine. This famous salts is made from the acid of grapes and lemon juice, combined with lithia, and has been used for generations to clean and stimulate clogged kidneys; also to neutralize the acids in urine so it no longer is a source of irritation, thus ending bladder weakness.

Jad Salts is inexpensive; cannot injure; makes a delightful effervescent lithia-water drink which everyone should take now and then to keep their kidneys clean and active. Try this, also keep up the water drinking, and no doubt you will wonder what became of your kidney trouble and backache.

Bowser Defeats Jim Prokas in 21 Minutes; He Praises Newark Wrestler's Ability

Gentlemen—I would like to say a word about your man Bowser. He is the hardest man to wrestle, I have ever met, and I am honest when I say that I can't beat him. I want to say to those who might be suspicious, that you will have a hard time finding a man that can beat Mr. Bowser. I want to see him meet Joe Turner, the middle-weight champion of the world. And when he does, I am coming to Newark to see the bout. I think Bowser can beat the champion."

Bowser.

I was not responsible for matching tonight's match. It was the out-come of my sweeping challenge issued, following the first match I had in this city. At that time I stated that I was representing Newark on the wrestling mat, and would meet any man that any Newark business man would want to bring here. The Greek contingent in this city thought Prokas could turn the trick and I took him on. I am negotiating with Joe Turner, the champion, and if I can arrange it, I will bring him to Newark."

Referee Webber.

I never saw Bowser in better condition before. The way he started in to work when I called time convinced me that Prokas would never pin his shoulders to the mat."

Wrestling in a manner that made his opponent look like a novice, Paul Bowser, the local mat champion, Thursday night at the Music Hall defeated James Prokas, Greek champion of America in two straight falls. The bout, which was the shortest of any previous matches, was attended by more than 600 fans, and was won by Bowser in 21 minutes flat. Both falls were secured by scissor-locks on the arms.

Prokas, who was brought to this city by the Greek contingent, never had a look-in for the decision, although in the short time of the bout, he resorted to every trick known to the game. His rough tactics at times called forth hisses and hoots from the crowd. Referee Webber twice warned Prokas of his rough work and cautioned the crowd not to be unsportsmanlike.

At the last match in this city, the man who was responsible for bringing Prokas to Newark, intimated to a number of his friends that the bout was fixed. When confronted by Bowser he said that he was only kidding and trying to make Poulis appear a better advantage. This was one of the principal reasons for Bowser disposing of Prokas in such a swift manner.

Paul stated previous to the match that he was going to go after his man from the tap of the gong and would try to win as quickly as possible. His work which varied from that of his former bouts, was of the variety that gets quick results.

Picking Prokas up above his head, Bowser would hurl him to the mat and secure an advantageous hold in the fall. He kept after the Greek constantly and made the going hard for the visitor. Securing a crotch hold, Paul hurled his man to the mat and in falling changed his hold to a scissor-hold on the arms. Prokas was unable to bridge and Referee Webber slapped the local man on the back. Time 8-1-2 minutes.

After a five minutes rest the bout was resumed. During the intermission Prokas intimated to his friends that he was reserving something which he would uncoil and expected to win the two remaining falls and the bout.

Bowser did not tarry long after the gong rang, but was after the Greek champion in a manner that soon brought results. Prokas worked on the crowd by his rough tactics and the fans called to Bowser to finish it quick.

Securing another crotch hold, Paul raised Prokas above his head and fell with him to the mat. He repeated this several times and then switched to the scissor hold on the arms and the second fall and the bout was his. Prokas arose to his feet rubbing his head. He apparently did not know whether he was in Boston or Newark for fully two minutes. The crowd was so noisy in its demonstration that it was nearly five minutes before the timer could announce the time of the fall. Bowser and Prokas then made short talks.

Previous to the first preliminary, Attorney L. C. Russell, read a set of rules recently adopted by the Athletic school, which would in the future govern all bouts.

It took Vance Wallace nine minutes to win the first and only fall from Harvey Johnson. In the curtain-raiser, a ten minute limit affair.

George Cardellos, of Columbus and Harry Nick staged a unique 15 minute limit semi-windup. It was a case of Greek vs. Greek and Age vs. Youth. Nick, who hails from Mansfield, O., is past the fifty-year-old mark. But unlike the magazine stories of Youth vs. Age, the latter triumphed in last night's go. Nick amused the fans by his clever work and after wrestling 7-1-2 minutes, succeeded in throwing his younger opponent. The remaining 7-1-2 minutes was wrestled to a draw. The old man was lustily cheered when he left the ring.

Referee Webber announced that on next Thursday night, Bowser would meet Con Albright in a return match, best two falls in three to win. The strangle hold and toe

YOUR BRONCHIAL TUBES

When a cold settles in the bronchial tubes, with that weakening, tickling cough, immediate treatment is very important. The breath seems shorter because of mucous obstructions; usually fever is present, your head jars with every cough and your chest may ache. This is no time for experimenting or delay—you must get Scott's Emulsion at once to drive out the cold which started the trouble, and it will check the cough by aiding the healing process of the enfeebled membranes.

If you have any symptoms of bronchitis, or even a stubborn cold, always remember that Scott's Emulsion has been relieving this trouble for forty years. It is free from alcohol or drugs. Refuse substitutes.

Music

The musical given by the German Alliance of Newark at the High School Auditorium last night was a tremendous success. The inclemency of the weather did not interfere with those holding tickets, and when the program commenced the auditorium was filled to its capacity.

The musical which was given for the benefit of the Red Cross for the sufferers of Europe, by talented persons from Newark, Granville and Columbus, was one of the best that has ever been heard in this city. The committee and the members of the Newark Maennerchor and the Columbus Maennerchor, are deserving of considerable credit for the excellent manner in which the program was arranged and executed.

Herman Eisner, president, and Julius Juch, secretary of the Newark Maennerchor, have been very active since the beginning of the hostilities in Europe, in securing funds for the aid of the Red Cross. To date more than \$1,000 has been raised by subscriptions in Newark and the receipts of last night's musical will swell the total. Many more entertainments will be held in the future for this cause.

The following program was rendered in a manner that was on a par with the work of prominent artists.

1. Der Wald, (Carl Haeser), Newark Maennerchor.
2. Piano Solo, Tarantella, (Rubinstein), Miss Mary Hentze.
3. Solo, Sunlight, (Harriet Ware), Mrs. Marion Rose Johnson.
4. Violin Solo, Selection, Miss Flurschutz; Mrs. T. J. Daly.
5. Morgen im Wald, (Friedrich Negar), Columbus Maennerchor.
6. Vocal Solo, Mrs. Chas. W. Miller; Miss King.
7. Piano Solo, Deutschland (Moszkowski), Miss Mary Hentze.
8. Solo, Unto Thy Heart, (Allister), Mrs. Marion Rose Johnson.
9. Violin Obligato—Miss Smith.
10. Helmtatthe, (Julius Wenzert), Columbus Maennerchor.
11. Violin Solo, Le Cygne, (Saint Saens), Miss Flurschutz.
12. Vocal Solo, Mrs. Chas. W. Miller; Miss King.
13. Violin Solo, Airs Hongrois (P. A. Tirindelli), Miss Gayle Ingraham Smith.
14. Auf der Wacht, (Carl Kunze), Newark Maennerchor.

Director William Schlingerman and his twenty-five singers of the Newark Maennerchor, rendered a number of selections as well as the Columbus Maennerchor, of twenty-five, in charge of Professor Schneider. The program was strictly adhered to and the entertainment was finished at 10 o'clock.

Following the entertainment the Newark Maennerchor singers entertained the Columbus Maennerchor in the Schaller Hall, in West Main street.

The amount of money realized on last night's musical will be announced later.

The following musical program will be rendered Friday night at the Fifth Street Baptist church for the benefit of the piano fund. Everybody invited.

1. Song, The Winds are Hushed (Wilden), Male Quartette—John son, Stull, Burch, Keller.
2. Solo, Hymn, of the Old Church Choir (Lamb)—Lois Brown.
3. Piano Solo, Minuet (Bethoven) Chas. of the Butterflies (Bennee)—Ralph Allen.
4. Piano Duet, Les Sylphes (Bachmann)—Sara McConnell, Marie Dodd.
5. Solo, 'Tis Just Like Him—Benjamin Miller.
6. Piano Solo, Christmas Bells (Helms)—Paul Stull.
7. French Harp, Holy Night, Star of the East, Selection—Ralph Stouffer.
8. Piano Solo, Selected—Thelma Johnson.
9. Solo, Selected, Old Time Melodies—Donald Cross.
10. Cornet Solo, Three Star Polka (E. M. Bagley)—Frederick Connel accompanied by Miss Blanch Frost.

PART II.

1. Song, To the Harvest Field (Chas. H. Gabriel)—The Gleaners Class.
2. Recitation, The Church Spider—Donald Gaines.
3. Recitation, Adventures of Five Wee Brothers—Oliver Miner.
4. Piano Solo, Song of Gladness (Ravina)—Katherine McMillen.
5. Jane Johnson.
6. Recitation, Both Wet and Dry—Eugene Wells.
6. Recitation, Selected—Viola Jane Johnson.
7. Duet, Selected—Lois Brown, Dorothy Broome.
8. Piano Solo, Sabbath Chimes—Francis Carlisle.
9. Piano Duet, Rigaudon (cham-inade)—Gardner Smith, Thelma Johnson.
10. Song, Selected—Male Quartette.

Francis McMillen who delighted a large audience at the Auditorium here a few days ago, will appear at Zanesville tonight under the auspices of the Zanesville Thursday Morning Music Club.

STECHER DEFEATS "MASKED MARVEL" IN GOTHAM BOUT

New York, Jan. 28.—Jan. 28.—Joe Stecher of Dodge, Neb., won in straight falls from Mort Henderson of Altoona, Pa., who has been wrestling here as the "Masked Marvel" in their match here last night. Stecher won the first fall in nine minutes and the second fall in five minutes and 51 seconds. Stecher weighed 200 pounds and Henderson 193 pounds.

BETTER

POSITION OFFERED ASSISTANT SUPERINTENDENT OF PUBLIC INSTRUCTION.

Whose Recognition Is Accepted—Successor will Not Be Named Before February 15.

Columbus, O., Jan. 28.—Frank W. Miller, superintendent of public instruction today, accepted the resignation of John L. Clifton, as assistant superintendent, and announced he would not appoint his successor before February 15, when Mr. Miller will retire. Mr. Clifton will become a member of the faculty of the college of education at Ohio State University, next week, and will leave not only his position in the schools' department, but also his candidacy for the Democratic nomination for lieutenant governor. The salary of his former position was \$2,500.

Frank B. Pearson of Columbus, a school inspector for the department of public instruction and Ohio State University, and John Davidson, superintendent of schools at Lima, are being mentioned most prominently for appointment by Governor Willis for the unexpired term of Superintendent Miller.

Miller has accepted the post of superintendent of schools at Dayton.

Granville

(Special to the Advocate.)

Granville, O., January 28.—Great plans have been made for the annual presentation of musical comedy by Denison local talent, which this year is expected to surpass all former efforts. Mr. Eschman has selected Orphenbach's "Orpheus in the Underworld," which will be sung and staged in the most finished style. Assignments have been made and rehearsals already begun with a most encouraging outlook. The principal roles as announced are: "Euridyce," Mrs. Marion Rose Johnson, soprano; "Orpheus," Mr. Collier, tenor; "Jupiter," Mr. Gerald Athey, baritone; "Public Opinion," Miss Grace Brooks, contralto; "John Styx," Mr. Kenneth Ullman, baritone; "Pluto," Mr. Herbert Shorney, tenor; "Diana," Mrs. Allieret Chrysler Morrow, soprano; "Mars," Mr. Walter Livingston, bass; "Neptune," Mr. D. C. Whittlesey, baritone; "Cupid," Miss Helen Ray; "Venus," Miss Florence Stacey. The terpsichorean evolutions of the chorus will be directed by Miss Bradstreet, physical director of Shepardson college, and no detail will be neglected which can contribute to the most finished and artistic production yet offered by these gifted musicians.

Mrs. Marion Rose Johnson and Miss Gayle Ingraham Smith, violinists, were on the program for special music at the German-American meeting in the Newark high school auditorium last evening.

The only vacation allowed at the end of the first semester is to be Friday of next week-end, February 4, with the usual week-end recess. Classes will be resumed on Monday, February 7. Next week will be sacred to examination, and social activity among the young people will be conspicuous by its absence.

At the student's semester recital given on Thursday evening, January 27th, in Recital hall, a large audience of representative people assembled and enjoyed the fine program presented. The performers were in excellent form and each reflected great credit on the work of the conservatory. The program as rendered is appended:

L. Boellmann . . . Menuet Gothique
Mr. Herbert Young.
A. E. Horrocks . . . The Bird and the Rose . . . Miss Helen Ray
F. Flaxington Harker . . . Eventide
Miss Elizabeth Evans.
D'Hardelot . . . I know a lovely Garden . . . Miss Jessie Burns Chopin—
Impromptu, Op. 29.
Polonaise, Op. 26 No. 2.
Miss Mabel Jones
A. W. Finden . . . Less than the Dust (From four Indian Lyrics.)
Miss Juliet Barker.
Delibes . . . Ballet music from Sylvia (For two pianos.)
Miss Genevieve Cathcart.
Mr. William Vogel.
A. Mallory . . . Meditation
Miss Hulda Beutemiller.
E. Grieg—
(a) Sunrise.
(b) In the Hall of the Mountain King—(From the Peer Gynt Suite, arranged for two pianos.
Miss Laura Johnson.
Miss Hulda Beutemiller.
Miss Madeleine Edgerly.
Miss Frances Fry.

Mr. Kenneth Ullman.
Rochmaninoff . . . Polichinelle
Mr. Karl E. Crilly.
R. Schumann—
(a) Du bist wie eine Blume.
(b) Volksliedchen.
Miss Imogene Hamblen.
A. Mallory . . . Toccata
Miss Ruth Eldridge.
Mr. and Mrs. L. A. Austin have as house guests Mr. and Mrs. Ellphaz Thrall, of Topeka, Kans., and Mr. William B. Thrall, of Kirtersville, O.—two of Mrs. Austin's brothers. Mr. Ellphaz Thrall was at one time associated with Mr. Austin in the jewelry business in Granville, the two enterprising young men having bought out Mr. B. B. Loar in 1875, and conducting their business in the room now occupied by the W. H. Chrysler grocery. Later they moved into the corner room where Mr. Austin continued the business until he took charge of the Granville post-office, which position he held for 16 years. Mr. Thrall finds many changes in Granville since his residence here, 40 years ago.

The Denison glee club is holding regular rehearsals and will be in splendid form for the concert to be given in the Newark high school auditorium on the evening of February 8th.

When Germany Passed the United States.

(New York World.)

It was during the Roosevelt ad-
ministration that Germany obtained
her lead in sea power over the
United States—sea power as mea-
sured in dreadnoughts, which are the
standard units of a modern fleet.

At the end of 1908 Germany had
laid down eight to the United
States' four, and this ratio has been
maintained ever since. The last year
of Mr. Roosevelt's term, Germany
passed the United States in the
amount of tonnage built and build-
ing, and we have never recovered
the place we lost.

If Mr. Roosevelt wishes to fix the
direct responsibility for the relative
decline of American sea power, he
can blame himself and the Republi-
can party. More money has been
spent on the navy since Mr. Wilson
became President than in any cor-
responding period of the national
history.

For ourselves, we are not dis-
posed to blame Mr. Roosevelt or
anybody else. We should consider
an attack on him just as silly and
malicious as his attacks on Wilson
and the Democratic party.

The truth of the matter is that
the country was well content to lag
behind and not compete with Great
Britain and Germany in their strug-
gle for naval supremacy. The
American people did not believe
that this war was possible, and they
refuse to prepare against the impos-
sible. Even now when half the
world is aflame and we ourselves
have been singled, a powerful ele-
ment in and out of congress is stub-
bornly opposed to increasing meas-
ures of national defense. The same
incurable idealism that believed
this war could not happen also be-
lieves the nation cannot become in-
volved in serious foreign complica-
tions.

The way to overcome this opposi-
tion is to stop playing partisan po-
litics with preparedness and deal
with the condition of affairs for
which nobody can truly be held re-
sponsible but which demands im-
mediate remedy. People like Mr.
Roosevelt are much more concerned
about abusing President Wilson
than about obtaining a reasonable
measure of national defense, and
this spirit is more dangerous to a
preparedness program than is the
opposition of confirmed pacifists like
Mr. Bryan.

Value of Ignorance.

(Cleveland Leader.)

One of the readers whose pro-
fess against preparedness have been
printed on this page, in addition to
stating his attachment to "peace on
earth, good will toward men," sum-
med up his argument in these words:

"In case of war with any nation,
my boys and myself would be ready
and willing to shoulder the musket,
or whatever it might be. In a few
weeks we would be ready to put up
the fight of our lives, but to begin
now to prepare when there is no
enemy in sight is the rankest kind
of foolishness."

Evidently the campaign of edu-
cation bearing fruit and Americans
are coming to a saner realization of
their country's shortcomings. This
correspondent apparently is one of
those who would have said a few
months ago—as their eloquent lead-
er, Mr. Bryan, did say—that a mil-
lion Americans could spring to arms
in a night and repel any invader. But
now our reader acknowledges that,
even in the case of himself and sons,
a "few weeks" of preliminary train-
ing would be needed before mere
patriots could be sent against trained
soldiers. This is encouraging.
Perhaps presently, if the good work
goes on unimpeded, all national
citizens can be made to understand
—as our army men and other in-
formed persons know and as Great
Britain now comprehends—only too
well—that not a few weeks but many
months of constant schooling are
necessary before it can be considered
anything short of murder to send
volunteers against seasoned troops.

But does our misguided friend,
who thinks that "to begin now to
prepare when there is no enemy in
sight is the rankest kind of foolish-
ness," imagine that we should have
time to prepare after an enemy
heaved in view? What would be
happening to our country in that
period of preparation after the fact,
even if it were only "a few weeks"?

It dies hard, the vanguard notion
that Americans can "lick all crea-
tion" and can turn themselves in-
stantaneously into efficient sol-
diers by the grace of God, but it is
dying. It was time that it should.
For this same "valor of ignorance,"
or ignorance of conceit, has in the
past cost our country far too many
thousands of lives and billions of
dollars and years of grievous war.

The Democratic Automobile.

(Chicago News.)

According to an investigator writ-
ing in The Syracuse Post-Standard,
there are now in the United States
more than 4,000,000 automobiles in
operation, as against 44,000 eight
years ago. The average price, in the
same period, has fallen from \$2,-
123 to \$814. Nearly half of the
total number of cars are owned by
persons whose incomes are from \$1,-
000 to \$2,000 a year, and three-
fourths of the total by persons whose
incomes are under \$3,000 per an-
num.

Seldom does one see so comforting
a set of statistics. They stimulate
the hope that breathes in every hu-
man breast of some day owning and
operating a car. They prove that
the dreaded up-keep cost must be
largely mythical, despite the increas-
ing value of Standard Oil Stocks, and
point a way toward the solution of
many intimate problems of transpor-
tation, recreation and occupation.

These figures cheer the weary
straphanger, for he beholds in them
the promise of early exemption from
canned travel. Furthermore, the
economical automobile should enable
him to realize that dream of a little
place in the country, bucolic inde-
pendence and ready access to a thriv-
ing market. The car plus, good
roads, should overcome the misus-

inherent dislike for the countryside,
for with a little runabout a man
own she can visit and be visited in
the country as conveniently as in
town.

Certainly the automobile is be-
come the vehicle of the plain people.
The figures show that comparatively
few automobiles are owned by pluto-
crats, and the plain people should
take pride in that. Of course, this
latter fact may be because there are
fewer plutocrats than ordinary folk,
but that is beside the question. The
thing to rejoice over is that democ-
racy need no longer take plutocracy's
dust—wheel dust—but shares with
its ancient rival the rights of the
road to prosperity and sweet con-
tent.

Decline of Alcoholism.

(Ohio State Journal.)

Some years ago Chanucy M. De-
pew made a birthday speech in Con-
gress, and spoke of conditions exist-
ing when he was a boy. Among oth-
er things he said: "At that time
temperance was unknown. It was
an insult to refuse a drink. Most of
the men whom I met in the legisla-
ture died from alcoholism." How
much the times have changed since
then! Temperance is much the rule
now. It is an honor to refuse a
drink. And actually legislators, as
a general thing, do not constitute an
exception to the sobriety of the com-
munity. Drunkenness is a most un-
usual thing, except among the out-
casts in the purlieus and the red
light districts of the cities. It is
probable that one will find on close
examination that temperance has
made a greater gain than some of
the other virtues and good habits of
the people.

Spirit of the Press

Alexander the Great's Birthplace.

British officers in Salonica may
easily make the excursion of a few
miles to the birthplace of Alexander
the Great—and whistle "The British
Grenadiers" while doing so if they
choose. But they will not find much
there. The name of Pella still ling-
ers in the district, but the great Mac-
edonian city of Pella, where the Al-
exander was born on a night of
storm and portents in October, 336

testimony of Mr. D. G. Hogarth who
visited its site in 1887, "as though
it had never been. The plateau above
the marsh, on which it stood, is now
plowland, where a few fragments of
marble and moldings and many coins
have been turned up from time to
time.—The London Chronicle.

Plums in the Postoffice.

Democratic Senators and Repre-
sentatives have had extended to
them an invitation from the Postof-
fice Department to suggest a few
candidates for postmasterships. This
is the interpretation placed upon a
nine-sheet type-written document is-
sued by that department and entitled
"First, second and third class post-
offices, where Presidential post-
masters have not been appointed
since March 1, 1913." There are
1,697 hold-overs from the Taft ad-
ministration still selling stamps. The
significance of the list is that there
are 1,697 federal jobs that are
spoilsmen have not yet landed. Sub-
tle minds in the Senate and House
may read a hint that deserving Dem-
ocrats who support the administra-
tion program are to have patronage
extended to them.—Thomas F. Logan

solately about, apparently not know-
ing where to lay her head or even
where to have any more kittens.—

Labor Should Share.

Under the theory that labor is a
partner of capital and entitled to a
certain portion of the profits, the
present prosperous times should
make for generally satisfactory in-
dustrial conditions. Where the shoe
will pinch is in the revision to dull
creation" and can turn themselves in-
stantaneously into efficient sol-
diers by the grace of God, but it is
dying. It was time that it should.

Rippling Rhymes

A Dirge.

My friend is dead, while yet so
young! Pneumonia in his starboard
lung defied the learned physicians'
skill, and laughed to scorn the heal-
ing pill. And all his days he was
on guard, against disease; kept
watch and ward, to see that no dis-
gusting germ should through his
mouth or nostrils take its
when convicted that some disease
was lurking, microbes on the
breast he breathed through anti-
septic gauze—took all the care that
ever was. While others scratched
for fame and wealth, he only
thought about his health, and
studied up the hygienic rules of all
the foremost health-fad schools. He
used a sanitary bed, and lived on
milk and oatmeal bread, and walked
nine miles, in rain or blast, each
day before he broke his fast. His

Howe's Travel Festival.

At the Auditorium, matinee and
night, Sunday, January 30, Howe's
Travel Festival will present an entire
new production. "Howe travels" will
cross the Fifth and Fourth bridge,
Scotland—the most unique structure
of its kind in the world and also one
of the largest. It represents the la-
bor of nearly 5,000 men continuous-
ly for 7 years, and ever since its
completion 100 men are kept busy,
year in and year out, keeping the
50,000 tons of steel in fresh paint.
The itinerary also includes a visit
to picturesque Madeira. On arrival
at Funchal, the island's capital, lo-
cated on a rugged coast, the scenes
show groups of natives leaping into
the water for coins thrown to them.
They dart lithely after them like
fish after minnows. A curious in-
stitution in this quaint land are the
bullock carts which serve in lieu of
taxicabs or the less dignified "jit-
ney." The next destination is Swit-
zerland in its winter garb of ice and
snow—where the joys of skiing are
witnessed as well as the perils of
climbing Alpine heights. Then the
Journey proceeds over the rivers of
France and continues to the serene
beauty of pastoral Holland with its
numerous windmills. Tucked in, as
Holland is, between the great con-
tending armies creating carnage all
around it, it seems strange that it
has escaped the fate of other na-
tions, and yet those scenes prove
conclusively that despite its precari-
ous position—both geographically
and politically—it has observed neu-
trality with such consummate tact
that not a vestige of war's havoc
or alarms has disturbed it.

Society

The Cedar Run Circle was delighted to entertain at the home of Mrs. John Develin in Allen street on Thursday, January 20th. The hours soon passed away, while the needles and crochet-hooks flew diligently. A three course dinner was served at the noon hour to the members and one guest, Mrs. J. E. Ellis. The next meeting will be with Miss Martha Griffith in North Fifth street on February 26.

On Thursday evening the B. B. B's were entertained at the home of Beatrice Orr in Mahlon street. The Misses Vera Jamison, Gertrude Keyes, Mrs. Floyd Goode and Master Paul Goode were guests of the club. During the evening the announcement was made of the wedding of Adah Josephine Fletcher and Charles Clay Goodin, which will take place in February. Miss Fletcher is the daughter of Mr. and Mrs. C. Fletcher in 78 North Pine street.

The members of the Kensington club were delighted to entertain at the home of Miss Agnes Murphy in South Sixth street on Thursday evening. The hours were devoted to needlework and a delicious two course dinner was served, the table being centered with a cluster of red carnations. The guests of the club were Miss Mary Fullin and Miss Katherine Sullivan.

Mrs. G. E. Besanceney entertained the members of her sewing club and their husbands with a dinner of pretty appointments at her home in West Church street on Thursday evening. The appointments were suggestive of the approaching Valentine holiday, and the colors were red and white, being adorned with hearts and candles, and the centerpiece was of red carnations and narcissus.

Those present were Mr. and Mrs. Walter Daugherty, Mr. and Mrs. Harry Doane, Mr. and Mrs. George Riley, Dr. and Mrs. E. V. Prior, Mr. and Mrs. David Murphy, Miss Mame Heipley and Mr. David Thompson.

The Elks Social Club entertained with a delightful dancing party at Assembly Hall on Thursday evening. The Fields orchestra furnished the dance program, and forty-one couples were present. An appetizing buffet luncheon was served in the balcony.

Mrs. George Bowers entertained the members of her sewing club at her home in Elizabeth street on Thursday evening. The hours were informally spent and a delicious luncheon was served the members and following guests: Mrs. Clyde Irwin, Misses Gertrude Hauck, Mary Bowers and Mrs. Walter Frazier of Frazeyburg.

Miss Clara Copeland was hostess at an informal card party on Thursday evening at her home in Maple avenue. The hours were spent playing euchre and the prizes were awarded to Miss Nellie Frenier and Mr. John Kennedy, while the consolation trophies were received by Miss Ethel Brown and Mr. Clyde Farmer. The guests were: Misses Nellie Frenier, Irene Allison, Ethel Brown, Lucille Mayboid, Elizabeth Devlin, Messrs. Frank Cole, Charles Daugherty, John Kennedy, Ted Devlin, Luke Minehart, and Clyde Farmer. A two course luncheon was served.

The members of the Proctor Club were entertained at the home of Mrs. Archibald Davis in Hudson avenue on Thursday afternoon. The hours were given over to an interesting program and a dinner of delightful appointments was served the members and one guest, Miss Fanny Smith.

A marriage license was issued in Columbus on Thursday to Mr. Charles A. Kern of this city and Miss Margaret M. Gibson of Columbus. Judge Berry was named to officiate. The bridegroom is the son of Mr. and Mrs. A. O. Kern of West Locust street and is employed as a jeweler. The bride is the daughter of Mr. and Mrs. George Gibson of 150 Clarendon avenue Columbus.

Mrs. Ora McWilliams was hostess to the Busy Bee Embroidery club at her home north of the city on Thursday. The afternoon was devoted to needlework, after which a dainty repast was served. Mrs. B. O. Horton will entertain the club on Thursday, February 10.

Every Day Etiquette

"Does an invitation to a church or home wedding, where a reception follows, require a gift?" asked Mabel.

"No a present is not necessary as wedding gifts are never obligatory in any case," said her mother.

HOW TO BE SLIM

If you are too fat and want to reduce your weight 15 or 20 pounds, don't starve and weaken your system, or think you must always be laughed at on account of your fat, but go to any good druggist, and get a box of Oil of Korein capsules, take one after each meal and one before retiring at night.

Weigh yourself once a week and note what a pleasant and reliable method this is for removing superfluous fat from any part of the body.

It costs little, is absolutely harmless and I am sure a week's trial should convince anyone that it is unnecessary to be burdened with even a single pound of unsightly fat. W. A. Erman, Evans Drug Store can supply you.

THE SICK

Charles Baker, arrested yesterday by Officers Donley, Abbott and Francis got the jolt of his life when arraigned in police court this morning on charges of drunk and disorderly conduct. The complaint was filed by neighbors of Baker in West Newark. Following the testimony of these witnesses Mayor Bigbee fined Baker \$250 and costs and ordered him committed to the city prison until the amount is paid. Baker has been before Mayor Bigbee several times, as well as before other mayors, before Mr. Bigbee. Six drunks and two train riders drew fines of \$5 and costs.

THE SICK

George N. Dodson, a rural mail carrier out of this city, is slowly improving after a week's seige of the grip.

Mrs. Emory Allbaugh, (formerly Miss Mabel Stasel) who was operated on at the Newark sanitarium, is doing nicely. Drs. Lewis and Shlifer are the attending physicians.

Edward Barnett who has been a patient in a Columbus hospital for several weeks, returned to Newark this afternoon. He was removed to his home in the Bradley ambulance.

The Bazler ambulance removed Walter Wilson, 164 South Fifth street to the City hospital yesterday afternoon for an operation.

Mrs. Forest Wilson was removed in the Bazler ambulance yesterday from the City Hospital to the home of her mother Mrs. Wagner 54 North First street.

Walter Davis, living 4 miles south of Alexandria, was brought in the Bazler ambulance Wednesday to the City Hospital for treatment.

Mrs. Willis Nichols who has been ill at her home 133 Wing street is very much improved.

The condition of Mrs. George Thompson, 111 Ridge avenue, is some what improved.

F. B. Harris of St. Louisville was taken to the City Hospital today where he will undergo an operation.

Carl Koteleski underwent an operation at the Newark Sanitarium for the removal of a mastoid. Two years ago he underwent a similar operation on the other side of his head.

The condition of Frederick Cross, who has been seriously ill, is improved today.

Mr. A. S. Russel is getting along nicely, following an operation.

In Milady's Boudoir

By Owen Sears

Real beauty, which is always of character, can be engraven upon the mouth by right living and right thinking. Physically the lips may be cared for properly so that they are soft and red, well shaped by proper care of the teeth, by correct massage, by a little thought in their management, both in laughing and speaking.

This last named method may seem to smack of artificiality but this is not necessarily so. Have we not seen some singers who grimace horribly over their utterances, while others make charming mouths which really enhance each word as it issues forth? In the one case the singer has been taught to handle her lips incorrectly or perhaps has been taught not even the rudiments of handling them at all, all effort being concentrated in the forming of the tone. In the other instance the facial expression has been taken into account and while the tone is not sacrificed, the pleasing effect of the music is not marred by grotesque mouthings and lip stretchings.

If such lip control is possible in singers, it is also possible in those who do not sing. The woman who will persevere can learn to speak and use the lips becomingly, thus not only enunciating clearly but with graceful movement. She will take pains to keep her lips, when in repose, in an expression of good cheer and courage rather than allow them to slackerly droop in sadness and gloom.

We are all familiar with the nervous mouth that is drawn far to one side when talking. Others pucker the lips when thinking and often while talking. The former is bound to make the mouth incline permanently more to one side than the other. The latter habit will wrinkle the lips and age them far more quickly than the passing years.

Others seem to pout continually. All these unbecoming little habits bring about anything but an attractive expression. Every woman should watch for and correct such bad habits before they become fixed and almost unchangeable.

Your Boys and Girls

When baby's second teeth begin to appear they should be watched closely. If they grow evenly, do not disturb them, but if they are irregular, put them straight every day by gentle pressure. The child should be taken to a dentist who will adjust a band so that teeth will grow straight.

In early childhood, very frequently, much mischief is done to the teeth by overfeeding, by the immoderate consumption of sweets, improper food, and overdoses of medicine. So never fail to consult a dentist immediately when a spot of decay appears on any tooth. A bad tooth will destroy it's neighbors on either side, and if the trouble is taken in time the loss may easily be prevented.

Rev. P. O. Orr will preach at Woodside this evening at 7:30. Students of the public and high schools are specially invited. On Sunday several men from the Columbus railroad shops, who could not come last Sunday, may be over Sunday. They are Messrs. Wehe, Evans, Stump and Mitchell, the singer.

Personal

Arthur Boyd of Columbus is a business visitor in the city today.

Misses Grace Dennison, Rosanna Dennison, and Bernice Floyd will attend the Bobby Burns dance at Shawnee this evening.

Miss Hazel Hart of Zanesville is the guest of Mr. and Mrs. Fred Wright of Eddy street.

Miss Margaret Ayres, and Elizabeth Ayres of Zanesville were guests of Newark friends for a short time Thursday evening.

Mrs. Lena Flunk and daughter Leona of Columbus are the guests of Mrs. G. W. Plum of West Locust street.

Mrs. Ellsworth Moore and two children, James and Virginia, of Philadelphia are visiting at the home of Mary L. Miller, 99 West Church street. Mrs. Moore was formerly Miss Emma Maylone of Newark.

Miss Carrie Sachs of Springfield, O., is the guest of her sister, Mr. and Mrs. Jack Brilliant of Pearl street.

Obituary

Mrs. Susanna Hayes, aged 74, died at her home in Zanesville, after a lingering illness. She was a native of Hopewell township, and was the daughter of the late Susan and William Francis. She spent nearly all her life in Muskingum county.

Mrs. Hayes was the wife of John W. Hayes, who died 16 years ago. Their marriage occurred in 1851. She is survived by seven children: Mrs. Clara Benn and Len E. Hayes, of Exeter, Calif.; Mrs. Bertha Freager and Herbert G. Hayes, of Newark; Mrs. Clema Carlton, of Cambridge; Mrs. Myrtle Butler and George F. Hayes, of this city, and also by one brother, John W. Francis, of Los Angeles, Calif., and by 13 grandchildren and four great-grandchildren.

Funeral services will be conducted at the First M. E. church at 1 o'clock Saturday afternoon. Burial in Greenwood.

Mrs. Lydia White, widow of the late Davis White, died at her home, 142 South Cedar street at 5 o'clock Thursday afternoon after six weeks illness of acute bronchitis. She leaves to mourn her death five children, David C. Lowry of Prospect, O.; Mrs. B. F. Bowman of Hutchinson, Kans.; Mrs. Edward Kenan of Columbus, O.; Mrs. John Everts and Mrs. Frank Williams of this city.

Funeral services will be held from the home of her daughter, Mrs. John Everts, 89 Pataskala street at 1 o'clock Saturday afternoon. Rev. George Bohon Schmidt officiating. Interment in Cedar Hill cemetery.

Erasmus White, died at Rocky Glen Sanitarium at McConnellsville, O., Friday morning at three o'clock. Mr. White had been a patient at the Sanitarium for the past month and death was due to tuberculosis.

He is survived by his wife, his parents, Mr. and Mrs. S. J. White, a twin brother, Samuel White and three sisters, Mrs. C. H. Anderson, Mrs. Paul Helm and Miss Edith White all of this city.

The body will be brought to Newark by Undertaker J. A. McGonagle and will be taken to the home of his parents, 242 Merchant street on Saturday afternoon, where funeral services will be held at 10 o'clock Sunday morning. Rev. C. H. Stull of the Fifth Street Baptist church officiating. The burial will take place in the family cemetery, the White-Phillips cemetery in the Welsh Hills and will be private.

Mrs. Grimm's Funeral. The funeral of Mrs. Rachael Grimm was held this afternoon at her late home in Schuller street. Rev. Geo. Bohon Schmidt officiating. Burial was made in Cedar Hill cemetery.

Mrs. Salisbury's Funeral. The funeral of Mrs. Nora D. Salisbury will be held Saturday morning at 10 o'clock. The body will be taken to Mt. Vernon at 11:10, via the B. & O. Rev. C. H. Stull will officiate at the funeral service at the home.

Mr. Redman's Funeral. Funeral services for the late Archie Redman will be held Monday afternoon at 1:30 o'clock at the home. Burial at Cedar Hill cemetery.

Sweet potatoes, placed in cut glass or other bowls filled with water, send forth a decorative yellow-green vine, which has become very popular among the women of Dallas, Texas, according to report, the plants requiring no earth whatever, but consuming an inordinate amount of water.

Milking machines are being introduced in some parts of the south coast and Australia. The Sydney Herald says that one installed on a Rocky Hill farm is proving a success; with two men some 45 cows can be milked and the separating done in an hour.

Carefully Treat Children's Colds

Neglect of children's colds often lays the foundation of serious lung trouble. On the other hand, it is harmful to continually dose delicate little stomachs with internal medicines or to keep the children always indoors.

Plenty of fresh air in the bedroom and a good application of Vick's "Vapo-Rub" to the throat and chest at the first sign of trouble, will keep the little chaps free from colds without injuring their digestions. 25c, 50c, or \$1.00.

The Pribril seal heard, at the end of the breeding season of 1915, contained about a third of a million animals of both sexes and all ages, or about 40,000 more than last year. The pups born this year numbered 103,526. The rapid increase in this herd is due to the act of congress, which has suspended the killing of seals in the Pribril Islands, except a small number of males killed annually for food by the natives.

MEMBERSHIP SUPPER AND ANNUAL MEETING

OF NEWARK Y. W. C. A.

The Y. W. C. A. membership supper to be held at the First Presbyterian church, Tuesday, February 1, is not a "dress-up" affair, but rather a "fill-up" occasion, when you may become filled to overflowing with the kind of enthusiasm that will not permit you to go home and be satisfied with your life but the kind that stirs you to do something, and to do it now. Come and get acquainted with the rest of your Association family. It's a grand family and you should be proud to belong to it. But to claim all the blessings you must do something for this family. One of your most sacred duties as members of this family is to attend the annual meeting and cast your vote for the members of the board of directors. If you can not come for the supper, come for the annual meeting program at 7:30.

The Courts

Divorce Petition. Edith Rayner has filed a petition in probate court against Carl Rayner. The parties were married April 22, 1914, and defendant is charged with cruelty and gross neglect of duty. Plaintiff in her petition charges that for the first seven months after their marriage they lived with their mother and that defendant refused to support plaintiff or himself; that in October, 1914, they started to keep house; that defendant refused to pay the bills and that in February, 1915, defendant left plaintiff and refused to contribute towards her support; that defendant is cross, irritable and ill tempered. Plaintiff asks for a divorce, restoration to her maiden name of Edith Sheppard and that she be granted all other relief to which she may be entitled.

Seeks Separation. A divorce petition was filed in probate court today by Marie Clement against Hugh L. Clement. The parties were married August 27, 1914, at Harrodsburg, Ky. The petition alleges neglect of duty and failure to provide and also charges extreme cruelty in that defendant shortly after their marriage formed the habit of becoming intoxicated and called her vile and vulgar names; also that he struck her in the face on several different occasions. Plaintiff states that defendant's residence at the present time is unknown.

Viewing Ditch. Commissioners Jos. H. Orr, Frank R. Dumm and Orville Kiger, accompanied by County Engineer John C. Swartz, are in Monroe township today viewing the proposed Lee Rice ditch. The officials will traverse the route of the ditch after which action will be taken and if granted a survey of same will be ordered at once.

In Common Pleas. In common pleas court on Friday the court and jury were engaged in the trial of the case of Bailey & Keeley vs. E. J. Maurath. The suit is brought upon an account, and in which a counterclaim on account is filed by defendant against plaintiffs.

J. W. McConnell vs. George W. Crawford; judgment of settlement. A suit upon an account.

Harold DeFord vs. Edward King; and Louis Kureth vs. Edward King, et al., leave given to file answers instanter.

Horace Tharp vs. Irene E. Miles, passed from the assignment. To be re-assigned.

James K. Hamill vs. Edward Kibler, Jr., administrator, etc. Heretofore placed in the assignment for trial. Mr. Hamill being in the south, at Naples, Fla., and as he will not return until April 1st, the suit was passed from the assignment to be re-assigned. The suit is brought upon a promissory note.

For trial Monday next: Warman & Vanatta vs. Will O'Bannon.

Charge Illegal Fishing. After a very strenuous effort, E. T. Penrose, deputy game warden, of Mt. Vernon, O., M. A. Charlton, deputy game warden of Columbus, and Benjamin F. Robinette, deputy game warden of this city arrested Steve Ulrich, Thursday evening. Ulrich put up a strong resistance and it was necessary for Joseph R. Moser, special detective for the Ohio Electric Railway company, to assist in the arrest. Ulrich was taken to "Squire D. M. Jones" court and was charged with having in his possession for the purpose of sale, sun fish. The defendant entered a plea of not guilty, and the time of the trial was set for Friday, February 12, at 2 o'clock. The court placed the bond at \$100 which the defendant failed to furnish and he was taken to the county jail.

FRAMPTON

The series of meetings at Mt. Pleasant, conducted by Rev. H. J. Rice, closed Sunday evening.

Mrs. Margaret Hayden spent Monday with friends near Hen Peck.

A Complete Job. "Do you love me with all your soul?" breathed the temperamental maiden as she peered through the orchids with which the table was decked at the lucky fellow whose joys and sorrows she had agreed to share.

The l. f. paused for a moment while he inspected the supper check, just handed him by an obsequious menial.

"Yes, and with all my soul," he said fervently.—Richmond Times-Dispatch.

FOR CHAPPED, BLISTERY, RED OR WINDCHOKEN SKIN

"Do you realize that just beneath that coarse, rough or discolored complexion there's an exquisitely beautiful skin of youthful tint and delicacy? If you could only bring this complexion to the surface, discarding the old one! You can—in the easiest, simplest, most natural manner imaginable. Just get an ounce of ordinary mercurized wax at any drug store, apply nightly like cold cream, removing it mornings with warm water. The wax assists Nature by gradually taking off the lingering particles of dead and half-dead surface skin, causing no discoloration whatever. Cutaneous defects like chaps, pimples, blotches, liver spots, moth patches, freckles, or coarse disappear with the old skin. Nothing else will accomplish such wonderful results in so short a time.

Fine lines and even the deeper wrinkles often appear at this season. In such cases nothing is better than a face bath made by dissolving 1 oz. powdered saxolite in 1/2 pt. witch hazel. This is remarkably effective.

LAMAR'S SEAT WILL BE GIVEN TO BRANDEIS

PROMINENT BOSTON LAWYER
APPOINTED TO THE U. S.
SUPREME BENCH.

Has Been Before Public as National
Figure in Several Notable
Cases.

(Associated Press Telegram)
Washington, Jan. 28.—President
Wilson today selected Louis D.
Brandeis of Boston to be associate
justice of the supreme court to suc-
ceed the late Justice Lamar.

Mr. Brandeis is a lawyer who has
been much in public life during the
last three years, not only in legal
work but in various movements for
social betterment. He is a Ken-
tuckian by birth and is 60 years old.
He was born and educated in Louis-
ville, and in 1878 began practicing law
in Boston.

He came most notably before the
public as a national figure six years
ago through his participation in the
celebrated Ballinger-Pinchot in-
vestigation in congress in which he was
counsel for the forces which were
opposed to Secretary Ballinger and
sought his removal from office. Later
he was counsel for the shippers
who opposed the general increases
in freight rates before the interstate
commerce commission, and during
the same period he was at the fore-
front of those who were demanding
an investigation of the financial af-
fairs of the New Haven railroad.

Among his participation in other
public affairs was his appearance
as counsel for those who fought for
the validity of workmen's hours of
labor law in Oregon, Illinois and
Ohio, as counsel for those who con-
tended for the preservation of the
Boston municipal subway system and
in establishing the sliding scale gas
system and the creation of savings
bank insurance in Massachusetts.

He was in 1910 chairman of the
board of arbitration which settled
the New York garment makers' strike.
He has written largely and is
regarded as an authority on pub-
lic franchises, life insurance, wage
earners' insurance, scientific man-
agement, labor problems, and the
trust question. He also has been at
the forefront of the Zionist move-
ment in the United States and will be
the first Jew to sit on the bench of
the supreme court.

At the beginning of President
Wilson's administration, many of the
administration leaders expected
Brandeis to be appointed attorney
general.

Mr. Brandeis' nomination went to
the senate today. It was a surprise
in official circles.

Mr. Brandeis has never been men-
tioned for the vacancy.

\$300 GIVEN SO FAR TO JEWISH RELIEF FUNDS

Subscriptions to aid the Jewish Re-
lief Society of America in caring for
the needy in Europe, are being sent
into the local headquarters by New-
ark citizens, for good substantial
amounts. Today the total amount
was near \$300 and by Saturday the
aggregate total will be known.

Newarkites have been liberal in
their contributions, and in this vic-
inity particularly, "Relief Day," as
proclaimed by President Wilson,
met with great success. Both Jewish
and Christian denominations have
been very prompt in complying with
the President's proclamation, and
immediate relief is promised to the
sufferers in war-ridden Europe.

NEWARK DIVISION PROGRESSES IN THE LAST MONTH

According to the monthly report
of the operating department of the
B. & O. the Newark division has ad-
vanced several points in efficiency of
operation and is now in fourth place
among the divisions of the road. Em-
ployees of this division are proud of
the record which means that there
are but four other divisions operat-
ing more efficiently.

BRITISH TAKE GERMANS FROM AMERICAN SHIP

(Associated Press Telegram)
New York, Jan. 28.—Details of the
removal of three German passengers
from the American steamship Zaca-
pa at Kingston, on the outward voyage
were told today when the steamer re-
turned to this port. Three British of-
ficers boarded the Zaca and after
examining the papers of all the passen-
gers and questioning the crew, ordered
Mr. and Mrs. Herman and J. David
ashore. The two men were sent to a
detention camp while the woman was
permitted to remain at Kingston. The
British officers allowed Mrs. Schlitz-
er the stewardess on the Zaca to re-
main aboard as she had taken out her
first American citizenship papers.

PRESIDENT RETURNS TO THE WHITE HOUSE

Washington, Jan. 28.—President
Wilson returned from New York at
7:15 a. m. today. He went im-
mediately to the White House.
Plans were made today for the
president to deliver brief speeches
from his train at Davenport and
Newtown, Iowa, in addition to others
already announced. It was also ar-
ranged after speaking at the principal
meeting in Topeka, the president will
speak briefly at an overflow meeting
in the high school auditorium.

Vulcanized paper shoe soles have
been invented that are said to out-
wear leather and to be water-proof.

Chicago Grain
(Associated Press Telegram)
Chicago, Jan. 28.—Active buying of
commission houses and pit traders sent
wheat up today despite weakness at the
start. Announcement that the entire
mercantile marine of Great Britain had
been taken under government control
in order to keep down ocean freight
rates seemed first to induce enlarged
shipments from Argentina and Aus-
tralia, but later the view prevailed
that the outlook promised increased
demand for exports from the United
States. Smallness of receipts north-
west counted also in favor of the bulls.
Lumber prices which varied from 3 1/2
to 1 1/2, to 1 1/2, to 1 1/2, to 1 1/2,
were followed by a substantial gain all
around.

Gossip that wheat exporters were
taking back wheat from foreigners and
were selling at a discount, succeeded in
a sharp setback in prices. The
close was heavy 3/4 to 1 1/2, net lower
with May 1.35 1/2; 1.35 1/2; and July 1.29 1/2.
Corn showed notable strength and
touched a new high price record for
the 1915 crop. Prospect of a good de-
mand from Europe was the chief fac-
tor for the buying, which was much
broader than has recently been the case.
The market opened 1/2 higher.
Rumors were current that a foreign
government had ordered a large quan-
tity of corn. An estimate that the Argen-
tine exportable surplus was only half
that of last year, also was a factor.
The market closed 1/2 higher.
Oats reflected the firmness of other
grains. Transactions, though, were not
large.

Higher prices on hogs tended to
harden the provision market. Selling
by packers, however, acted something
of an offset.
Finally all the gains were more than
lost. The late weakness in the wheat
markets had a depressing effect.

THE ADVOCATE'S DAILY PUZZLE.

THE MORNING FIRE.

You poor old boob, you're out of date.
Why don't you chuck the smoky thing?
Go, get a gas stove for your mate,
And smiles back to her face you'll bring.

Find his wife. ANSWER TO YESTERDAY'S PUZZLE.

In specialties, notably Crucible Steel
and allied issues, as well as petro-
leums and motors, imported some fresh
strength, which also embraced seasoned
stocks such as Union Pacific and oth-
ers that had shown early weakness.
Stocks were in supply on the rise,
slight recessions resulting.
Efforts to continue yesterday's late
rally were made at the outset of to-
day's trading, numerous stocks rising
from material fractions to over a
point, but the improvement was not
well maintained, prices receding very
generally on secondary offerings. War
shares were strongest, that up av-
eraging gains of 1 1/2 points with sim-
ilar gains in oils. United States Steel
rose to 84, an overnight gain of 3/4,
but this was soon cancelled. Rails
made only slight gains at the open-
ing and these also were forfeited in
large part owing chiefly to heaviness in
Union Pacific and the Erie.
Led by New Haven, which developed
sudden weakness some prices yielded
substantially in the final hour. The
closing was firm.
Variable recoveries from yester-
day's lowest prices were recorded to-
day, but these were forfeited in part
to the later trading.

CIVIL SERVICE QUESTIONS TO BE ATTACKED

BY STATE EMPLOYEES THREAT-
ENED WITH DISMISSAL BY
COMMISSION

Because They Failed to Pass Exami-
nations—Content Questions
Were Irrelevant.

(Associated Press Telegram)
Columbus, Jan. 28.—State em-
ployees who have been threatened
with dismissal because they exami-
nation today threatened to fight for
retention by filing suit to test the
discretion of the state civil ser-
vice commission in giving certain ex-
amination questions to their duties.

Simultaneously Dr. Z. B. Camp-
bell, chairman of the civil service
commission gave out a statement at-
tacking the "irrelevance" of the
spelling system, and declaring that
the commission has no means of
knowing the politics of applicants.

Secretary of State Hildebrandt
hurried back here today from his home
in Wilmington, when he heard that
five employees in his department had
been ordered dismissed by the civil
service commission because they
failed to pass examinations with
sufficiently high grades to place
them at the top of the eligible lists.
None of these provisional appointees,
the 11 in the department of work-
shops and factories or the seven in-
spectors in the dairy and food de-
partment, all of whom suffered the
same fate in civil service tests, had
been dismissed today. Heads of de-
partments were awaiting official no-
tification from the civil service com-
mission.

reply to a complaint from the dairy
and food department that an en-
tirely new force of food inspectors
would have to be broken in. "It is
strange that the department did not
think of this when it was breaking
in a number of political appointees,"
said the statement. "The people of
Ohio through their legislature ap-
propriated \$16,800 with which to
pay the salaries of four dairy and
food inspectors. Was this money
appropriated to make places for
those who had played small town
politics and secured a few votes for
their favored candidates? Because
other candidates for these positions

shows the rottenness of the spoils

WHAT THE MASTER MEDICINE WILL DO FOR YOU

Tanlac, the Wonderful Veg-
etable Regulator, and
Value-Giving Tonic.

Is Recommended By Count-
less Thousands and
Among Them Many New-
ark People.

No product ever mined from Moth-
er Earth, not excepting gold itself,
has created such intense interest as
has the Master Medicine, Tanlac. It
is proving the greatest boon that
Nature has given to one-half of man-
kind—the sick half. Today thou-
sands upon tens of thousands of peo-
ple are praising Tanlac and recom-
mending it to their sick friends.
Many have shipped it across the
seas and the parcel post and express
companies are carrying it daily to
various parts of America. Tanlac is
all good—every drop of it beneficial
and there is nothing else in the
world like it—nothing anything like
its beneficial effects in certain ail-
ments that are the foundation rock
of nearly every ill to which human
flesh is heir. It is a first aid in
benefiting such disorders as nervous
debility, indigestion, biliousness,
rheumatism, stomach troubles, col-
ic troubles, liver and kidney
troubles, the after effects of grippe
and pneumonia and the greatest of
tonics and system regulators. Mar-
velous reports of benefits derived
from Tanlac from all sections where
it has been introduced and some of
these cases were chronic, cases of
long standing.

Tanlac right here in Newark has
proven of great and permanent ben-
efit to many whose statements we
have published from time to time,
and they include the Mrs. Horner, 29 E.
Second street; Mrs. J. W.
Plum, 24 West Locust street; Mrs.
Edna Wilson street, and many
others.

Tanlac is being demonstrated at
Hall's drug store by the Tanlac man
or his assistant and is for sale at
Hebron by the Hebron Drug Co., at
Granville by W. P. Ullman, and at
Utica by P. H. Richardson. adv

COURT MARTIAL PROBABLY WILL BE THE RESULT

Washington, Jan. 28.—Court martial
of three American army officers—
Lieutenants Peyton, Mort and Wal-
dron—who led a detachment of sol-
diers into Mexico to rescue two cap-
tives near Brownsville, Texas, prob-
ably will result if an investigation
shows that they violated orders not
to cross the international boundary
line. In that case it was said also
that they probably would be held res-
ponsible for the death of four members
of the rescue party who were drowned
in the Rio Grande while returning
from the expedition.
Secretary Garrison said positive or-
ders had been given army officers not
to cross the boundary line without in-
structions from Washington.
Prompt action on the part of the
Caranza authorities in returning the
two captured American soldiers un-
harmful, was regarded here as indica-
tive of a desire to prove their inno-
cence and to show good will toward
the United States.

15 YEARS AGO TODAY.

(From Advocate Jan. 28, 1901.)

Mr. Frank M. Smith of the J. Smith's Son's Lumber Company, has been honored by the election of Secretary of the Board of Directors of the Union Association of Lumber Dealers of Ohio, West Virginia and Western Pennsylvania.

It is very probable that the people of Newark and Granville will have the rare opportunity of witnessing a lecture on liquified air, at Granville, about March 1, by Prof. J. Ernest Woodland. Prof. Woodland is an alumnus of Denison and is the most prominent lecturer on this subject in the country.

The World War a Year Ago Today—Jan. 28.

A large Russian army was advancing from the Russian border against Koenigsberg, a German fortified city in East Prussia.

German airplanes dropped bombs on Dunkirk, France; French airplanes bombarded the German trenches at Laon, La Fere and Soissons, in France.

Austria reported that Russia's invasion of Hungary had been defeated and that by vigorous battles in region of deep snow her armies had recovered the passes in the Carpathians.

GENTLE RUBBING HELPS VARICOSE VEINS

Rubbing the swollen veins nightly for about two minutes with a gentle upward stroke brings benefit to sufferers and is mighty good advice, says an authority.

After the rubbing, which should always be toward the heart, because the blood in the veins flows that way, apply Emerald Oil (full strength) with brush or hand.

Try this simple home treatment for a few days and you will be surprised to find that the veins are reduced to normal. It is very concentrated and penetrating, and also has been used at any modern drug store. It is so powerful that it also reduces Gout and Wens.

Evans Drug Store has Emerald Oil in a small bottle and will be glad to supply it.

UTICA AUTO CLUB ELECTS OFFICERS GLASSWORKER HURT

Utica, O., Jan. 28.—The young people of the Presbyterian church are planning to hold a social in the near future and organize a Young People's Society.

A special twenty day campaign of intercession, cottage prayer meetings and evangelistic services will begin Feb. 20 in the Presbyterian church.

Rox Bell recently sold his farm east of town to Sidney Bell, and he bought the Sam Parks farm on the Utica-Homer pike. He is having the premises improved preparatory to his occupancy March 1.

The annual meeting of the Utica Automobile Club for the election of officers was held Tuesday night, with Vice President Nickel in the chair, and resulted in the selection of the following:

President—William Nickel.
First Vice President—F. S. Sperry.
Second Vice President—R. R. Lusk.

Treasurer—H. E. Harris.
Various matters of interest were discussed, and a meeting will be held in a short time to plan affairs for the coming season.

Mr. Davis, spare Lehr tender at the Licking factory, had an artery in his

hand cut by the breaking of a sheet of glass last Thursday evening. He came up town and had to tramp from one doctor's office to another for some time before he could find one in to dress the wound, and his trail was marked with blood along the sidewalks.

Mr. Henry Latham, aged 65 years, died Tuesday evening at 5 o'clock at her home near Morgan Center. Two sons, William and George Latham, survive her. The funeral at Owl creek Thursday and burial in the adjacent cemetery.

GAS, HEARTBURN, INDIGESTION OR A SICK STOMACH

"PAPE'S DIAPEPSIN" ENDS ALL
STOMACH DISTRESS IN FIVE
MINUTES.

Time! Pape's Diapepsin will digest anything you eat and overcome a sour, gassy or out-of-door stomach easily within five minutes.

If your meals don't fit comfortably or what you eat lies like a lump of lead in your stomach, or if you have heartburn, that is a sign of indigestion.

Get from your pharmacist a fifty-cent case of Pape's Diapepsin and take a dose just as soon as you can. There will be no sour risings, no belching of undigested food mixed with acid, no stomach gas or heartburn, fullness or heavy feeling in the stomach, nausea, debilitating headaches, dizziness or intestinal griping. This will all go, and besides, there will be no sour food left in the stomach to poison your breath with nauseous odors.

Pape's Diapepsin is a certain cure for out-of-order stomachs, because it takes hold of your food and digests it just the same as if your stomach wasn't there.

Relief in five minutes from all stomach misery is waiting for you at any drug store.

These large fifty-cent cases contain enough "Pape's Diapepsin" to keep the entire family free from stomach disorders and indigestion for many months. It belongs in your home.

MEMBERS SOUGHT BY THE HUMANE SOCIETY; WORK IS PLANNED

To strengthen the society and widen its scope, the officers and directors of the Licking County Humane Society have issued a call for active and contributing members at a small membership fee.

William E. Hopkins secretary of the society, yesterday issued the following statement:

The publicity given the rally of Monday night, together with bulletins of last week, has opened eyes to the broad field of labor which the humane society should enter. The extent of the work, as well as the variety of cases which this organization can best handle, must impress all with the importance of the movement.

The Licking County Humane Society has made a good record in caring for neglected and cruelly treated animals. In this respect, the society's history is not unlike that reported by Baldwin of Youngstown.

He made it clear however, that the society did not long remain the one-sided organization, but early in its history gave attention to the need of unprotected children, women and old people. This is the history of many of our leading societies in the state, but it must be noted that all which have become well established, have cared for both animals and human beings.

The board of directors of the Licking Co. Humane Society, wishes to call upon friends of animals and of unprotected human beings, to help them make this society all that it can be in the service of the county.

The board has plans for enlarging the scope of the society, and in taking up new lines of work in the most effective way, but cannot put these into operation without additional funds. They appeal, therefore, to the public for membership in the society and for private contributions to carry on the work.

According to the constitution, any person can become an active member of this Society by the approval of the board of directors, and the payment of the annual fee of \$1.00. Contributors may pay an annual fee of not less than \$1.00, but can increase that at their pleasure. The board would be glad to receive a large number of both active and contributing members, during the next three months. They would also appreciate private contributions. If receipts from these sources are sufficient the new work referred to will be launched at a Spring Rally, held in April or May.

The headquarters of this society has been transferred to the office Room 409, Newark Trust Bldg. Both telephones have been installed and all calls should be made and complaints be referred to this office.

Room 409, Trust Bldg. Auto phone 1411; Bell phone, Maine 535.

Designation and Constancy.

By E. M. O'BRYEN.
"Be ever active and ever at rest."
—St. Augustine.
I.
It differs little whether smooth or rough.
The road that leads to God and bliss may be;
To know that he leads me is enough.
Then all is safe though human eye can't see
Faith can assure a single hair can't fall
Without His will who made and governs all.
II.
In sickness and distress, in want and pain,
In every ill that makes a worldling sigh,
Calm resignation seeks a deathless gain
And drives his chariot nearer to the sky.
In Heaven's cause, as in the cause of man,
The virtuous spirit ever leads the van.
III.
What, though abandoned by the world for thee,
What, though no earthly boon for thee remains,
Enough to know that there is liberty,
And there alone where God's pure spirit reigns;
In this resolve, though all earth's joys were fled,
For this shall live when all earth's joys are dead!
IV.
Amid the troubled clouds the Moon looks mild,
Admired each varied clime Earth's still the same;
The Sun comes down upon the temple's wall
And gentle zephyr with one self-same flame.
Thus constant hearts, 'mid passions, doubts and fears,
Fast fixed in God move changeless in their spheres.
(** Cor. III. 17)

SUPPLIES FOR SAFETY DEPT. IN STORAGE

All supplies for the police and fire departments, heretofore purchased by each department in small quantities, will be issued by Director Bigbee or Police Chief Sheridan from stores of supplies kept in a new room provided at police headquarters.

The second floor room formerly used as a hay loft, has been remodeled for this purpose.

The room in the rear of the first floor is now being remodeled and will be used as an office and should any change be made in the police and fire telegraph system the apparatus will be installed in this room.

To Put on Flesh and Increase Weight

Most people eat from four to six pounds of good solid fat-making food every day and still do not increase in weight one ounce, while on the other hand many of the plump, chunky folks eat very lightly and keep gaining all the time. It's all a matter of the nature of the food they eat to maintain life and a semblance of health and strength. Stuffing won't help them. A dozen meals a day won't make them gain a single "stay there" pound.

All the fat-producing elements of their food just stay there in the intestines until they pass from the body as waste. What such people need is something that will prepare these fatty food elements so that their blood can absorb—something too, that will multiply their red blood corpuscles and increase their blood's carrying power.

For such a condition it is well to recommend eating a Sargol tablet with every meal. Sargol is not, as some believe a patented drug, but is simply a careful combination of six of the most effective and powerful assimilative and flesh building elements known to chemistry. It is absolutely harmless, yet has been wonderfully effective and a single tablet eaten with each meal often, according to reports of users, has the effect of increasing the weight of a thin man or woman from three to five pounds a week. Sargol is sold by Evans Drug Co., W. A. Erman, 33 North Third St., and other good druggists everywhere on a positive guarantee of weight increase or money back.

FIREMEN TRY OUT MONSTER LADDER ON MOTOR TRUCK

The 65-foot ladder on the new motor ladder truck installed several months ago at fire headquarters, was given a try-out Thursday afternoon by the firemen. It was raised in good time in spite of its great weight and length.

Safety director Bigbee ordered the pike poles and other parts of the ladder, wrapped to protect the wood from being worn by the vibration while the truck is traveling over the streets. Already a great notch has been worn in one of the pike poles, used as a support and brace for the ladder while one of the side pieces shows the effects of the constant vibration.

A CHILD DOESN'T LAUGH AND PLAY IF CONSTIPATED

IF PEEVISH, FEVERISH AND
SICK, GIVE "CALIFORNIA
SYRUP OF FIGS."

Mother! Your child isn't naturally cross and peevish. See if tongue is coated; this is a sure sign its little stomach, liver and bowels need a cleansing at once.

When listless, pale, feverish, full of cold, breath bad, throat sore, doesn't eat, sleep or act naturally, has stomach-ache, diarrhoea, remember, a gentle liver and bowel cleansing should always be the first treatment given.

Nothing equals "California Syrup of Figs" for children's ills; give a teaspoonful, and in a few hours all the foul waste, sour bile and fermenting food which is clogged in the bowels passes out of the system, and you have a well and playful child again. All children love this harmless, delicious "fruit laxative," and it never fails to effect a good "inside" cleansing. Directions for babies, children of all ages and grown-ups are plainly on the bottle.

Keep it handy in your home. A little given today saves a sick child tomorrow, but get the genuine. Ask your druggist for a 50-cent bottle of "California Syrup of Figs," then look and see that it is made by the "California Fig Syrup Company."

ARKANSAS FLOOD MANY HOMELESS IN NEED OF AID

Little Rock, Ark., Jan. 28.—Hundreds of persons are homeless and have asked for aid and thousands of acres of land are inundated in the lower reaches of the White and the Arkansas rivers. Up stream, with the Arkansas four miles wide at Mulberry, is a volume of water which rivermen believe will cause the worst flood in 25 years when it pours down stream and into the overflow that is backed up because of high water in the Mississippi.

The board of commerce of Little Rock met today to devise plans of aiding the sufferers near Watson, Ark., who sent appeals for aid yesterday to Gov. Hayes. Elbert Stone of Watson, a planter and storekeeper in a long distance telephone conversation said that virtually 500 families driven from their homes by the high water, were suffering for food and supplies.

TELEPHONE MEN ATTEND BANQUET IN ZANESVILLE

Zanesville, Jan. 28.—Optimistic addresses, one of them by Samuel G. McMeen of Columbus, president of the Ohio State Telephone Co., were given at a dinner at the Clarendon hotel Thursday noon, which celebrated the passing of the 3,000 mark for new subscribers by the local automatic exchange. About 40 guests were present.

Rollo R. Stevens of Columbus, general commercial superintendent, acted as toastmaster and the speakers were the local superintendent J. B. Rhodes, Vice President G. R. Johnson of Columbus; Mr. McMeen, Frank Beam of Mt. Vernon, president of the Ohio Telephone association; Gen. R. B. Brown, C. H. Spencer, and C. E. Hollander of Newark.

President McMeen congratulated the Zanesville men on the work they had accomplished, writing 3,111 applications since last June.

Mr. Beam of Mt. Vernon, stated that the telephone business in Ohio had increased from 35,000 phones in 1894 to 500,000 in 1916, and predicted a still further growth. General Brown, Mr. Spencer and Mr. Hollander all referred to the great growth in the telephone business.

The dinner was attended by the local telephone men, half a dozen friends, and the others from out of the city besides those mentioned were: H. B. Taylor, J. C. Bousch, C. O. Welsheimer and C. L. Morton, all of Columbus; E. O. Arnold, Mt. Vernon; B. M. Critchfield, Mt. Vernon; Fred L. Lears, Cambridge; W. H. Brown, Caldwell; H. W. McKee, Cumberland; W. S. Lentz, Frazeyburg; J. D. Erwin, McConnellsville; C. J. Pollock, New Concord; H. O. Wright, New Lexington; J. W. Murphy, Junction City; C. C. Collins, Logan; S. C. Herdman, New Concord, and W. S. Weiant, Newark.

"DEMON" HURLEY IS CAPTURED BY CHICAGO POLICE

Chicago, Jan. 28.—Mrs. Emma Miller was struck and choked in her home in West Erie street yesterday by Otis Hurley, who said he escaped ten days ago from an asylum for the insane at Lima, O. Three detectives who were passing the house heard Mrs. Miller's screams and rescued her.

After his arrest Hurley was unable to talk coherently. He rented a room in the Miller home yesterday.

Mrs. Miller was not seriously injured.

Although only 38 years old, Hurley has spent 20 years in prison. His incorrigibility at the Ohio penitentiary earned him the title of "prison demon." He escaped from the Ohio prison twice, being shot in the foot while climbing over the wall. During one of his five terms in the penitentiary he stabbed a woman employee of a prison contractor because she spurned his attentions. At the Columbus institution he was confined in a specially constructed steel cage.

Hurley took a negro, Tom Sawyer, with him when he escaped from the Lima institution.

FOUR CHILDREN IN ONE FAMILY HAVE TYPHOID

Nature Says: "O, Shucks! What's the Use!"

One of a Series of Talks on Health
By Newark's Leading Druggists.

By T. J. Evans, Pharmacist.
Constipation puts the brakes on good health—slows down the blood—invites germs and microbes to do their worst. They usually do. Then Nature says: "O shucks! what's the use!"

No man can expect to keep fit when his bowels are sluggish. His work shows it—his health shows it. A single glassful of West Baden Sprudel Water will put him right with Nature. It will banish headache, torpid liver, stomach up-sets, rheumatic twinges and other conditions caused by constipation.

West Baden Sprudel Water has become so popular that now it is bottled at the Mother Spring. Druggists everywhere sell the large bottles at 35c—the small ones at 15c. The best thing you can do is drink a glassful whenever Nature demands it.

T. J. Evans is a pharmacist in whom hundreds of people place entire confidence. His store in the Hotel Warden Block is a real institution for good in this community, and Mr. Evans' unstinted praise of West Baden Sprudel Water should be given careful consideration by every reader of this paper.

PEACE

NOT TALKED OR YEARNED FOR
BY GERMANY SAYS BER-
LIN'S LORD MAYOR.

In a Speech Yesterday in Celebration
of Birthday of Emperor
William.

(ASSOCIATED PRESS TELEGRAM)
Berlin, Jan. 28.—(By wireless to Sayville.)—Among the speeches delivered in Berlin yesterday in celebration of Emperor William's birthday, the utterances of two men have attracted particular attention. Adolf Wermuth, lord mayor of Berlin said:

"The emperor and the German people will find in peace their best reward for active perseverance. But we do not long for peace. The enemy started out with the purpose of destroying the countries in the heart of Europe. Whenever the enemy abandons an effort on account of defeat, he claims an immortal place of honor in history. Whenever the central powers conquer new territory their enemies refer to our despondency. Therefore our country does not talk of peace, does not yearn for peace, but fights and works for peace."

At the commercial high school Prof. Schaer, a Swiss citizen, said in an address that neutrals must agree to responsibility, for the war rests not on Germany but on the entente allies. He concluded his remarks by proposing cheers for Emperor William.

FESTIVITIES FOR COL. E. M. HOUSE BEGIN IN BERLIN

(ASSOCIATED PRESS TELEGRAM)
Berlin, Jan. 28.—Via London.—Colonel Edward M. House, who remained in comparative seclusion during his first two days in Berlin, is to begin his series of conversations with German officials at a luncheon today at the American embassy. Dr. W. S. Scher, secretary of state for the colonies will attend the luncheon.

Ambassador Gerard played no part in Colonel House's program of yesterday. He attended the service at the cathedral in honor of Emperor William's birthday and spent the afternoon shooting on his preserve near Berlin.

"JACK GORDON" IS ARRESTED IN MONTREAL

Zanesville, Jan. 28.—"Doctor" Jules Waterbury, a crook who schooled himself in the blackmailing of women has been arrested in Montreal.

Waterbury has many aliases among which was that of Jack Gordon. Under this name he married Miss Louise Weller, daughter of the banker and pottery manufacturer of this city. She met him in the fall of 1914 while returning from Europe and married him after a brief courtship. The romance lasted but a short time and she was lately divorced.

Waterbury is said to have been sentenced to eighteen months in the federal prison at Atlanta six years ago for swindling members of the house and senate at Washington. London, Paris, Berlin and Vienna were as familiar to Waterbury as Enfield Center, the little village in Tompkins County, N. Y., where he was born. He spoke several languages and was known to the police of two continents. He is wanted for grand larceny in New York, San Francisco, Chicago, Kingston, N. Y., and several cities in South America want him when New York is through.

JAPAN CAPTURES AMERICAN COTTON TRADE IN CHINA

(ASSOCIATED PRESS TELEGRAM)
Washington, Jan. 28.—Japanese manufacturers have captured the American cotton goods trade in China so completely, says a department of commerce report issued today that all hope of renewed American business lies in an entire change of the class of goods manufactured for oriental export.

Ten years, the report declares, has seen American cotton goods sales dwindle in China as the Japanese grew. Now American mills, it says, hopelessly distanced by the Japanese, either must extend their trade by selling another class of goods at the expense of England or dismiss hopes for further Chinese business.

GLASS WORKERS GET INCREASE

(ASSOCIATED PRESS TELEGRAM)
Toledo, Jan. 28.—A ten per cent increase in wages affecting seven hundred men was authorized by stockholders of the Ford plate glass company at the annual meeting yesterday. Future prospects was the reason assigned for the voluntary increase.

Seventy per cent of the residents of the United States use electricity in some form every day.

PALE WIVES AND MOTHERS

Many women who had a good color in their girlhood grow pale and colorless when they become wives and mothers.

When the fading color in cheeks and lips is accompanied by a loss of brightness in the eyes and an increasing heaviness in the step, the cause is to be sought in the state of the blood.

A hundred causes may contribute to the condition of thin blood known as anemia. Overwork, lack of out-door exercise, insufficient rest and sleep, improper diet, these are a few of them. The important thing is to restore the blood to normal, to build it up so that the color will return to cheeks and lips, the brightness to the eyes and lightness to the step.

Dr. Williams' Pink Pills are the great blood builder and invigorator. They begin at once to increase the red corpuscles in the blood and the new blood carries strength and health to every part of the body. Appetite increases, digestion becomes more perfect, energy and ambition return.

A pamphlet, "Building Up the Blood," will be sent free on request by the Dr. Williams Medicine Co., Schenectady, N. Y. If you mention this paper. Your own druggist sells Dr. Williams' Pink Pills or they will be sent by mail on receipt of price, 50 cents per box, six boxes, \$2.50.

BANISH RHEUMATIC PAIN FOREVER

Opates and Narcotics Give Only Temporary Relief — Rheuma, Mighty, Powerful and Quick Acting, Decisively Conquers.

People who have been tormented for years—yes, even so crippled that they were unable to help themselves—have been brought back to robust health through the mighty power of Rheuma.

Rheuma acts with speed; it brings in a few days the relief you have prayed for. It antagonizes the poisons that cause agony and pain in the joints and muscles and quickly the torturing soreness disappears.

It is a harmless remedy, but sure and certain because it is one discovery that has forced rheumatism and sciatica to yield and disappear.

Rheuma is rightly guaranteed. Try two 50-cent bottles and if you do not get the joyful relief you expect your money will be returned. To supply the ever increasing demand, T. J. Evans always has a supply of Rheuma on hand.

NEW SPRING COATS MAKE THEIR ARRIVAL

The T. L. Davies Dry Goods store received their first shipment of Spring coats today. They are fashioned along the new sport lines that are having such call in the larger cities at the present time. The materials represented in this initial shipment are narrow silk corduroys, wide wale corduroys, Worthington Chinchillas in plain white and fancy plaids white plushes, etc. This is to be a season of high shades as these garments clearly indicate. Included are bright red, Corn Turquoise, Coral, Mud Blue, Copen, Canary, plain white and fancy light plaids. As Mr. Davies Jr. stated this morning this showing is merely a handful as to what will be shown later on, but to the woman or miss who wants a correct Spring style to wear early, she can rest assured that these styles are authentic in every detail as they come direct from this well known firm's New York office.

IDENTITY OF BANK ROBBER ESTABLISHED

CHICAGO CASHIER POSITIVE MAN UNDER ARREST ONE OF BANDITS

Who Yesterday Held Up Employees and Depositors—Half of the Stolen Money Recovered.

Chicago, Jan. 28.—Much of the \$15,000 was recovered today by the police and among thirteen persons taken in custody the authorities believe that they have the five who participated in the robbery. Through a woman who was arrested with one of the suspected men word came to the police today of rooms which had been recently rented in a West Side apartment building. Detectives went to the place and forced their way into a room occupied by five men and three women. While they were breaking down the door a newsboy in the street outside saw a paste-board box fall at his feet. He kicked it and ten and twenty dollar bills fell out. The boy called a policeman nearby and they replaced the money in the box. Then the squad of detectives appeared with their prisoners and took charge of the money box.

A detective headquarters the money was counted and spread out on the captain's desk. It totalled \$7,800 and many of the bills were identified by the cashier of the bank.

The prisoners were taken to the office of the states attorney to be questioned. Those held by the police are: Eddie Mack; "Eddie" Burns, alias Byrnes.

Harry Fein, alias "Pinkie," Harry Brandt, Carl Hoffman, Aleck Brodie, Mrs. Margaret Hogan, Mrs. Beckie Fein, Julia Costello.

Joseph Friedman and Agusta Friedman, his wife.

Captain Hunt said that the arrests were due to a "hunch" which he had "that pickpockets had turned 'stick-up' men."

"I sent my men out to arrest Eddie Mack who was known to them as a pickpocket and to take also every man who ever worked with him. We suspected the house in Southwestern avenue and the detail that went there got results."

Identification of Eddie Mack and four of the men arrested this morning as the robbers who raided the Washington Park National bank yesterday and stole \$15,000, was made today by J. Garland Stahl, vice president of the bank, according to Captain Nicholas Hunt, chief of Chicago detectives.

The prisoners were confronted by Stahl in the office of Maclay Hoyne, states attorney. Stahl, who was manager of the Boston American Baseball club when it won the world's championship in 1912, faced two robbers yesterday. He was positive in his identification of the suspects.

More than half of the stolen \$15,000 is in the possession of the police and search for the hiding place of the remainder is being made. The persons arrested in the six room flat in the Southwestern avenue building were: Burns, Brandt, Fein, Hoffman, Brodie, Mrs. Hogan, Mrs. Fein and Julia Costello.

Detectives all night had been watching the house in which the men were arrested on information furnished by Mrs. Joseph Friedman, who with her husband was taken into custody. The arrests did not take place until the money was discovered. Although the bills have not been counted, it is said that the box contained approximately \$15,000.

Detectives who assisted in making the arrests said they believed the money was thrown into the street after it was learned the house had been surrounded.

Joseph Friedman and his wife were held as witnesses but no charges were placed against them and they were not believed to have had any connection with the robbery.

Three of the prisoners, Aleck Brodie, Harry Brandt and Harry Fein, the police say, are from New York. The Chicago detectives knew little of them beyond classing them as friends of Eddie Mack.

Mack was not among those arrested in the flat. He was already in custody of the municipal court where he had appeared yesterday on a misdemeanor charge.

Golden Sun Coffee

Yes, there is a coffee that will suit you exactly

If you haven't found that coffee yet, try one pound of Golden Sun. We think it is the kind you've been looking for.

For this coffee pleases nine people in ten who try Golden Sun Coffee.

The constant hunt for better coffee

Most of these families were in a continual search for coffee that would satisfy them perfectly. During their quest, one by one they happened to try Golden Sun Coffee. They stopped there and looked no more—here was coffee satisfaction at last.

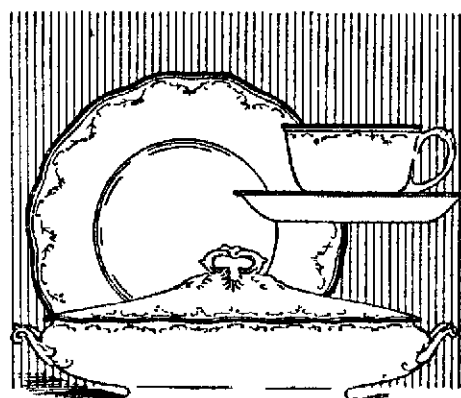

Then what happened?

Did they say at the end of a month or two, "This coffee doesn't taste as good as it used to, let's try another," as they had so often done before?

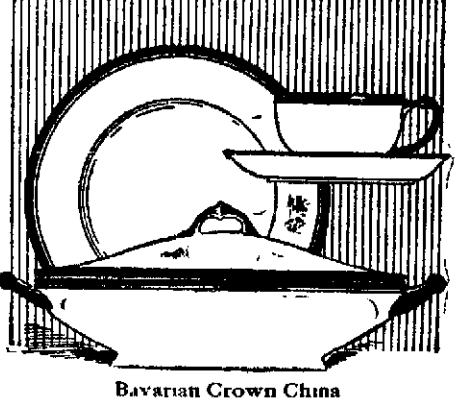

No, they didn't. For Golden Sun Coffee is always the same, always fresh, always uniform in blend and roasting year after year.

Golden Sun Coffee is steel cut by our own process. Sold by good grocers.

LADIES! DARKEN YOUR GRAY HAIR

Look years younger! Use Grandmother's recipe of Sage Tea and Sulphur and nobody will know.

The use of Sage and Sulphur for restoring faded, gray hair to its natural color dates back to grandmother's time. She used it to keep her hair beautifully dark, glossy and abundant. Whenever her hair fell out or took on that dull, faded or streaked appearance, this simple mixture applied with wonderful effect.

But brewing at home is messy and out-of-date. Nowadays, by asking at any drug store for a 50-cent bottle of "Wyeth's Sage and Sulphur Compound," you will get this famous old recipe which can be depended upon to restore natural color and beauty to the hair and is splendid for dandruff, dry, feverish, itchy scalp and falling hair.

A well-known downtown druggist says it darkens the hair so naturally and evenly that nobody can tell it has been applied. You simply dampen a sponge or soft brush with it and draw this through your hair, taking one strand at a time. By morning the gray hair disappears, and after another application or two it becomes beautifully dark, glossy, and abundant.

BETTER THAN GLYCERINE

PRESIDENT
(Continued from Page 1.)

tions pending in congress, including the shipping bill.

The president, it was said, will not mince words in discussing the need for national defense and will talk very plainly about opponents of preparedness and men who want a very large standing army.

The president saw several senators and representatives on legislative matters, but the usual Friday cabinet meeting was cancelled. He expected to see Secretary Lansing, however, to discuss foreign questions.

During the president's trip, Mr. Lansing will keep him informed constantly of all important developments in the international situation.

Before departing tonight the President and Mrs. Wilson will attend a dinner given in their honor by Secretary and Mrs. McAdoo.

The president will deliver the first address of his western trip in Pittsburgh tomorrow. He will speak in Cleveland tomorrow night, in Milwaukee Monday, in Chicago Monday night, in Des Moines Tuesday, in Topeka Wednesday, in Kansas City Wednesday night, in St. Louis Thursday morning and will return home Friday afternoon. He will also speak from the platform of his car in many towns through which he will pass.

On the trip west he will be accompanied by Mrs. Wilson, Secretary Tumulty, Dr. C. T. Grayson, the White House physician, two stenographers, a telegrapher, and an unusually large corps of secret service men. He will attend no banquets or social affairs but will devote practically the entire trip to speaking and traveling. Dr. Grayson said today the president is in good physical condition for the tour.

Last night President Wilson told the railroad men, he was an advocate of peace and had struggled to keep the United States at peace, but he considered the liberty and honor of the nation even more important.

"Woe to any man who plays marplot or who seeks to make party policies or personal ambition take precedence over candor, honor and selfish, unpartisan service," said the president in speaking of his defense plan before the railroad men. He declared that the country expects action and that this is a year of accounting, and the accounting must be definite on the part of parties and on the part of every individual who wishes to enjoy the public confidence.

"For my part, I hope every man in public life will get what's coming to him," said Mr. Wilson amid laughter and applause.

During his speech before nearly 1,500 business men at the railway banquet, where he cast aside almost entirely the text of his address that he had previously prepared for delivery there, he was frequently interrupted by applause.

The president admitted that in a message to the last congress he had said the need for preparedness was not pressing. He declared that he had learned something in the meantime.

He cited his recent support of a tariff commission as another instance of change on his part, but declared that previously there was no need for such a commission.

Mr. Wilson spoke of men of high character who were clouding the preparedness issue. He declared they were provincial, and that the United States could no longer cut itself off from the rest of the world.

The President vigorously defended his Mexican policy. He asserted that to invade Mexico would mean the losing of the confidence of the rest of the western hemisphere.

"If we are drawn in the maelstrom which now surges in Europe," the President declared, "we shall not be permitted to do the high things we would prefer."

The President defended the continental army plan, drawn up by Secretary Garrison and said that he did not care about the details of any plan as long as 500,000 trained men were provided as reserves by the federal government. He advocated strengthening the national guard, but said the constitution itself put the guard under the state. He added that the United States will not turn in the direction of militarism.

Outlining why the United States should prepare, Mr. Wilson said we must protect our rights as a nation and the rights of our citizens in America and outside of it as the consensus of civilized peoples has defined them; must ensure the unembarrassed realization of our political development within our own borders and must protect the peace and political autonomy of the Americas.

Industrial preparedness, with the military training of students in industrial schools, was proposed by the President. He left consideration of navy plans for later addresses.

Business men who formerly relied on protective measures in their dealings with foreign powers were criticised by Mr. Wilson. He said American business men should be able to hold their own against the world.

PRESIDENT TO ADDRESS OVERFLOW PITTSBURGH MEETING
(ASSOCIATED PRESS TELEGRAM)
Pittsburgh, Pa., Jan. 23.—An announcement was made today that after President Wilson has completed his address in the main auditorium of the Soldier's Memorial here tomorrow, he will be taken to the banquet hall in the same building to address an overflow meeting which will be composed very largely of women. Approximately 3,800 persons can be accommodated in the auditorium, but as these will be principally men, a request from women's organizations to the chamber of commerce that they be allowed to hear the president resulted in the arrangements for the second address.

The banquet hall will seat about 1500 persons.
